Amended 12 Day Pre-Primary Report
(01/01/2014-02/12/2014), Received 03/08/2014

Dear Sir or Madam:

This letter is in response to a letter received from the Federal Election Committee requesting additional information for the amended report referenced above.

The Hall For Congress Committee amended our 12-Day Pre-Primary Report due to the fact that the campaign bookkeeper did not have record of the 4 disbursements totaling \$48,592.37. In error, copies of these disbursements were not given to our bookkeeper in time to be included on the original report. The disbursements were reported on amendments immediately upon receipt by our bookkeeper. Our Committee is reviewing the procedures in which disbursements are received by our bookkeeper in order to make our best efforts in our reporting.

Included in the above total was an In-Kind Contribution for \$838.94 that was received by our committee on 2/20/14. This contribution was reported on an amendment on 2/23/14. A memo was included on the amendment explaining when the In-Kind contribution had been received by our committee.

The committee will also be reviewing the Form 3 Instructions of the Detailed Summary Page so that future filings will be disclosed on the correct lines.

Please let us know if anything else is required by our Committee.
